## Father's Message:

### **Coming Back From Pandemic**

by Fr Angelo Artemas

As we are seemingly coming back from a cloud of masking, restrictions and uncertainty, this is a unique time for us to take inventory as we look ahead. We need to remind ourselves that we are first and foremost a church. We are not some generic ethnic community or club, but a worshipping community of the historical church of the Apostles of Jesus Christ. Our first priority and responsibility is to worship and give thanks to God on time every Sunday. Everything else that we do after that is secondary.

Regular and timely worship and participation in the Sunday Divine Liturgy are the most authentic indicators of whether we are true Greek Orthodox Christians or not. Such phrases as "member in good standing," "supporting member," "founder," and "steward" are secondary to "regular worshipper." History has clearly shown that regular worshippers are those who pass on our traditions, and are consistently the better financial supporters and stewards of the church as well.

Too many Greek Orthodox are troubled when adult children embrace a faith tradition outside of Orthodoxy, whether in college or elsewhere. Others are troubled that their adult children simply forsake Orthodoxy and don't embrace any faith tradition. Can we blame anyone other than ourselves when our young people embrace a faith that seems

more authentic than ours? Can we blame anyone other than ourselves when our young people don't find our application of the Orthodox Faith relevant? We teach and lead by example.

If we are to treasure our faith, we must get back to the basics. Coming back from pandemic, let us resolve to worship regularly and on time; for this is the least expected of any parishioner. Let us resolve to support the ministry of our parish and of Orthodoxy in any way that we are able. Let us resolve to eliminate any damaging actions of the tongue, and to address others with the respect due to all of God's children. Let us resolve to practice and proclaim the Orthodox Faith, and not lose time over frivolous and self-centered agendas. Let us resolve to build up our families and homes by being examples and role models of holiness; not pettiness. Let us resolve to strengthen our communities and society by practicing and living the Orthodox Faith, and not succumbing to materialism, secularism and relativism. Let us resolve to become part of the solution, and not part of the problem. Let us resolve to become a living part of the body of Christ and His Church, which has withstood martyrdom, crusades, pandemics, wars, famine, natural disasters and other assaults for over 2000 years. Let us resolve to show our local community that we are indeed a church first, with parishioners who live the word of God.

## **President's Message:**

Dear Families of St. John the Theologian,

On behalf of the Parish Council, I pray that this finds you all safe and well.

We, as a community, are especially thankful to Father Angelo, the church staff, and the Parish Council for their active support and leadership leading up to and including the New Liturgical Year.

We have had an exciting start! We celebrated our feast day this year by creating the Saint John the Theologian Award. "**The Saint John the Theologian Award**" will honor persons who have made significant contributions to our community through their time, actions, talents, and dedication.

The honorees selected serve as role models of compassion, service, and dedication to make our community a better place. They have a passion for helping others in our community.

This year the Parish chose the following individuals:

**Jack Sardis**  
**Peter Baganakis**  
**George Gines**

Our Youth programs, Greek School, and the Sunday School Religious Education programs have all started. We are happy that many of the programs are returning to pre-pandemic enrollments. Parents, please sign your children up for our many programs that help unite our community and deepen relationships. Help our children learn about our Greek language and culture and our Orthodox Faith.

Fr. Angelo and Our Parish Council have made the youth and the young families our focus to help us continue to build our Community.

We have created the following winning aspiration: "To be the community that is recognized as having the best youth programs and ministries that will enable our Cathedral of St. John the Theologian to increase our membership and bring more people to Jesus Christ."

In order to succeed, we need Volunteers, Programs, Fundraising, and our Facilities. We have created action groups to create goals and objectives to drive this aspiration and ensure that our Cathedral of St. John the Theologian will be around for many generations as an example of our Orthodox Faith, Greek Language, and Greek Culture.

We are all excited for the new liturgical year at St. John the Theologian. There are many events and programs that have started which are announced on the Church website and through the weekly bulletins. Please check the website regularly.

Yours in Christ,

Stephen E. Ferranti,  
Parish Council President

### **OUR RECENT ACTIVITIES**

#### **National Philoptochos Convention**

The National Philoptochos Convention took place in New York from July 3 – 7. The highlight of July 4th was the Consecration of Saint Nicholas Greek Orthodox Church and National Shrine. In the afternoon the Official Opening Session began with greetings of His All-Holiness Ecumenical Patriarch Bartholomew and the Ecumenical Patriarchate Representatives. In the evening, our chapter went to the Yacht Club in Edgewater, NJ and joined a delicious meal, dancing, and fireworks. It was attended by other Metropolis representatives, the National Board and again honored to have His Eminence Archbishop Elpidophoros and the Ecumenical Patriarchate Representatives

July 5th was the first day of Philoptochos business. For 3-day days we attended full day sessions with presentations from several outstanding speakers. A Lot of information was shared. - The next Children's Medical fund Luncheon 2023 will be held in Houston Texas.
- Awards: All 48 Metropolis chapters received the Excellence in Legacy Award for 100% participation in National Ministry Commitments for the year 2021.
- Our chapter, St. Philothea, received the FIRST-PLACE award for membership increase for chapters with 200 PLUS Members! Congratulations to all who helped make this happen during such a difficult time!! Also, the New Jersey Metropolis was first in overall membership Growth.
- Philoptochos celebrates 90 years of continuous philanthropy, and His Eminence Archbishop Elpidophoros congratulated us for our 90 years of steadfast service as the Philanthropic Arm of the Greek Orthodox Archdiocese of America.

## ***Fall Greetings from the PTO***

Επιστροφή στο σχολείο!

It is with great joy that the PTO welcomes both our Greek School and Sunday School students back for another exciting year. Our church corridors are once again filled with little voices and smiling faces, happy to reconnect with friends and ready for new lessons.

We began the start of the year with a special Agiasmo blessing from Father Angelo.

And continued the welcome festivities with a special ice cream treat! The PTO brought ice cream trucks to the first day of Tuesday/Thursday Greek School on September 20<sup>th</sup> and a second truck came on Saturday, September 24<sup>th</sup> to mark the first day of Saturday classes and the start of our new Greek Dance year! We look forward to watching your Hellenic education progress throughout the year.

With the start of school activities, we also quickly look for ways to insert FUN and bonding time for the children outside of the classroom! The PTO hosted our Family Movie Night at the end of September for our children and their families to bring everyone together to reconnect after a busy summer. The children enjoyed chicken nuggets, special movie concessions and the feature film while their parents caught up and mingled.

Speaking of fun, September also marked the return of our in-person PTO Meetings back at the Church. We were so excited to be able to come together in person after two years of zoom meetings and we look forward to a healthy cadence of regular in-person meetings this year, including a few with fun activities like ZUMBA sprinkled in! PTO Members stay tuned for more information!

Looking ahead, we are busy planning for our first big Fundraiser for this year, a Comedy Night with Gus Constantellis (@ConstantlyGus) on Friday, October 14. Because of the current construction, this event will be hosted at the Englewood Field Club. We hope our community will come out and support this great event as we continue to raise money to enrich our children's religious, cultural and educational experiences.

We are truly blessed to be able to raise our children in this Cathedral surrounded by the love of Father Angelo and Presbytera, their teachers, their families, and their community. We look forward to planning more great events throughout the year. Please follow us on Facebook (PTO St. John's Cathedral) for the latest updates and information.

Καλή Πρόοδο!

*Mariella Kapsaskis & Jennie Ballas*

## **Kali Parea:**

We are happy to announce that the Kali Parea group has once again begun to function after a time of uncertainty because of Covid. Our first meeting of the season was held at the River Edge Diner on September 20th and was enthusiastically received by our members. Our next meeting is scheduled for October 18 at the church at 1:00 p.m.

We are looking forward to hosting a Holiday Celebration at 12 noon on Saturday, November 12 at Madeline's Petit Paris. It promises to be a fun time with good food, good music and good company.

Our new year will begin January 2023 with elections for a new slate of officers and plans for the coming year. We encourage all who are 55 and older to join Kali Parea. General meetings are held the 3rd Tuesday of each month at 1:00 p.m.

If you have any questions please feel free to call

Mai Savas (201 666 9509) or  
Maria Kyriacou (201 739 8618)

## **AHEPA:**

The Bergen Knights Chapter #285 has been in existence since 1931, with AHEPA itself now celebrating its 100<sup>th</sup> Anniversary this year. Our Chapter has always tried to focus on the principles of AHEPA; Promoting ancient Hellenic Ideals of education philanthropy, civic responsibility, family and individual excellence through community service and volunteerism.

Our Chapter is aiming for two events in the future.

January 12<sup>th</sup>, Thursday, a Backgammon Tournament to be held at church. Details will be coming, but keep the date free.

Somewhere in the next few months we will be doing a presentation of a special movie, "My People", by the director Anna Rezan, the story of the Greek Jewish Community in Salonica during the Holocaust and Axis occupation.

Most importantly, we want to express our gratitude to Dr. Demetrios Bayiokos who led our AHEPA chapter for many years working selflessly and completing many projects.

Please consider joining our mission by joining our AHEPA chapter. Call 551 486 7489 for information.

Sincerely ,

Peter Hilaris, President

## **STEWARDSHIP COMMITTEE**

Stewardship means participating in the Church's life: applying its teachings to everyday life; worshipping regularly with the body of the faithful; taking part in the religious, social and educational life of our Cathedral; sharing in its programs and serving in whatever way one is best able. We are truly blessed at the Cathedral of St. John the Theologian as we have a dynamic and growing parish. We have a high-level of engagement in our Ministries across all age groups.

Stewardship also means assuming a fair portion of the responsibility for meeting the financial needs of our Cathedral. Our goal is to meet most of our budgetary needs through the Stewardship Program, that is each household, or each individual over 18, annually pledge an amount freely and voluntarily decided upon, an amount compatible with the ability to give.

***If you have not yet paid your Stewardship pledge, please send it in. Stewardship pledges for 2023 should be made by November 2022.*** This is vital, as your pledge enables us to plan, as any responsible household must, for the year ahead. Payment of the pledged amount may be made in any schedule you find most convenient - weekly, monthly, quarterly, lump sum, etc.

The Stewardship Committee is often asked by parishioners, "what is the

right amount to donate?" Only you know what you can give. We encourage you to be generous and to keep in mind that we need to cover a budget that is over \$1.0 million/yr. Feel great about your Stewardship pledge as you are playing a critical role in the success of our wonderful community. Look around, great things are happening at the Cathedral.

The Stewardship Committee would be happy to answer any questions regarding our Stewardship Program. All questions should be directed to the Church Office at (201) 567-5072

### **Sunday School:**

My fellow parishioners,

On behalf of a group of extraordinarily devoted Sunday School teachers, I want to welcome our nearly 100 registered students to Sunday School. The last few years have not been easy for any of us, and I think Sunday School suffered the most as a result of the pandemic. But it looks like we are emerging stronger than ever! Not only is registration up from last year, but we expect even more GOYANs to join our program. If you have a youth at home, please bring them on Sunday. You won't regret it!

George A. Tsougarakis  
Sunday School Director

## GOYA

We are proud to announce that Tenafly GOYA is off to an amazing start this year! New members have joined the board, and they, along with Tenafly's advisors, are working hard to plan fun events, fundraisers, and even overnight trips for this year's itinerary. We welcomed many new GOYAnS at our first meeting and are thrilled for them to join our community. The 2022-2023 GOYA season was kicked off at the Diving of the Cross celebration in Asbury Park, New Jersey. Spiro Salonitis, Lianna Gourmos, and Aris Mouzakis participated in the Diving of the Cross competition as Tenafly representatives. Our volleyball and basketball seasons are also starting up, and our teams couldn't be more enthusiastic. This year, our volleyball team welcomed

Coach Rakkou to the Tenafly family! Be sure to come support the basketball and volleyball teams at their Sunday games.

While some great things have already been in store so far, Tenafly GOYA has plenty more upcoming activities planned. These include the Harvest Dance, trip to Six Flags "Fright Fest", and the Mr. and Miss Goya Pageant, in which Spiro Salonitis and Lianna Gourmos will be representing Tenafly. Be sure to contact our GOYA advisors for more details on these events!

We wish everyone an amazing start to this GOYA season and hope to see success and fun times at every event, game, and gathering!

## Scouts

The Boy Scouts had our weeklong experience at beautiful Camp Turrell in the Lower Catskills in July. The Scouts learned various skills, earned badges, spent time in and on the beautiful lake swimming, boating and fishing. They were able to enjoy nature for the week.

We also enjoyed multiple bicycle rides in the local area, getting a little stronger on each ride.

On Columbus Day weekend we were able to return to St. Basils for the first time since the pandemic. Our camp site was quite overgrown but we made camp for two nights in lovely

fall weather. It was the 47<sup>th</sup> EOCS Religious Retreat with multiple Orthodox troops participating. We had a total of 94 Boy, Cub and Girl Scouts and 67 Adults participate with our theme this year being The Ecumenical Patriarch Bartholomew.

Please consider joining our Scouts,

Cub Scouts, Grades K – 5, Boy Scouts Grades 6-12 and if you are interested in Girl Scouts, contact us at 551 486 7489

Thank You
